Say goodbye to scanning and emailing referral forms! Our secure online portal, TREVOR, allows you to send digital referrals, see prices and availability, book appointments, view your patients' scan images and reports, and more, all in one place. Clinicians can sign up by following this link: <https://licportal.force.com/s/login/>, or by calling or emailing us. Please do not hesitate to get in contact with any queries.

London Imaging Centre

We are committed to providing a professional, efficient and high quality Diagnostic Imaging and Treatment Service undertaking a range of Diagnostic and Radiological Procedures including:

MRI | Ultrasound | X-ray | DXA

The centre is open 8am to 10pm on weekdays and 8am to 8pm on weekends

How to find us

BY ROAD

The London Imaging Centre is located nearer Oxford Street at 11-12 Wimpole Street, close to the junction with Queen Anne Street. Parking is usually available on the street, however it can be expensive. There are several public car parks nearby, with the closest one at Cavendish Square. Please note that Wimpole Street is a one way street heading towards Marylebone.

BY RAIL

The nearest underground stations are Bond Street (Central & Jubilee lines) and Oxford Street (Central & Victoria lines) both less than 0.5 miles from the centre. The nearest rail station is Marylebone Station (Underground connect) which is about 0.8 miles from the centre.

BY BUS

Bus routes serving the Centre are 205, 25, 88, 453 and C2, direct to Oxford Street or nearby.
